**PARENT CONSENT FOR STUDENT PARTICIPATION IN
COMMUNITY BASED INSTRUCTION
2021-2022**

Dear Parents/Guardians,

As part of instruction, students participate in off-campus community based instruction. Community based experiences allow students to generalize the information they learn at school into the community. These skills are important to help students become as independent as possible.

This permission allows students to attend any community based instruction that occurs during the school year and alleviates the need to complete a form prior to each trip.

You will be notified prior to each off campus activity. You may request that your child not participate in any given activity. All off campus activities are appropriately supervised to ensure the safety of your child.

Please complete and return this form to school. Thank you.

Sincerely,

Dawn Angelini

Director of Education/Principal
